Vertigo

Billie Myers

Pain myself into the corner, a thousand miles from here and now
,
no reflections into hold me down, let's look around, do i belon
g?
space electric blue is calling, a northern star on my credit li
ne,
running short of it or borrow time you blow my mind, out of con
trol

i feel my ship is sinking yeah i'm giving in,
afraid to fly afraid to fall in love,
on a kaleidoscope of rollercoasters,
i won't look down 'cos fear i've met,
takes me to an all-time love, on a mountain of, i don't know

you give me vertigo

sleeping satellites are waking, turning cycles in my head,
information highway leave me ashtray , it's ok,
but i don't wanna know where i'm going 'til i get there

i feel my ship is sinking yeah i'm giving in,
afraid to fly afraid to fall in love,
on a kaleidoscope of rollercoasters,
i won't look down 'cos fear i've met,
takes me to an all-time love,
you give me vertigo

oooohhh
something????
? i'm crushlanding on the cloud blue, so let's leave this plane
, skydive away,
skydive away

i feel my ship is sinking yeah i'm giving in,
afraid to fly afraid to fall in love,
on a kaleidoscope of rollercoasters,
i won't look down 'cos fear i've met,
takes me to an all-time love, on a mountain of, i don't know
don't let go, oh no, it's vertigo, oh oh no, no, don't let me g
o, oh oh no,
take me, take me, take me
