

You Wear Heaven

Billie Myers

Down the hallway, one hour paradise
Summers burning down
"Just one for road" cowboys play
Late night radio

Some ones screaming, chills me to the bone
High heels broken on the run
1930's retro telephone
Won't you take me home?
Take me home

Walk me to your open arms
On a bed of a thousand years
Keep my memory safe from harm
Wherever you are
I wish that you were here
Where the neon sign reads
You wear heaven

Hangover morning
From the night before
Memphis Elvis hangs by a thread
Cold comfort don't they know
And the king is dead
Yeah he's dead

Walk me to your open arms
On a bed of a thousand years
Keep my memory safe from harm
Wherever you are
I wish that you were here
Where the neon sign says
(You wear heaven)

You're nothing short of a miracle
You're the air I'd die to breathe
You're the reason that I'm lonely
You're the better half of me

Walk me to your open arms
On a bed of a thousand years
Keep my memory safe from harm
Wherever you are
I wish that you were here
I wish that you were here
I wish that you were here
To wear heaven
To wear heaven
To wear heaven
