

## Streetlife Serenader

Billy Joel

Streetlife serenader  
Never sang on stages  
Needs no orchestration  
Melody comes easy

Midnight masquerader  
Shoppin' center heroes  
Child of Eisenhower  
New world celebrator

Streetlife serenaders  
Have such an understanding  
How the words are spoken  
How to make the motions

Streetlife serenaders  
Have no obligations  
Hold no grand illusions  
Need no stimulation

Midnight masqueraders  
Workin' hard for wages  
Need no vast arrangement  
To do their harmonizing
