

Because of You

Billy Ocean

You give me such inspiration
Day by day
You are my reason to smile
And I know that come what may
It's great world anyway
Heart to heart we can face any test
Could it be together we're the best
No matter what they say
It's a great world anyway
Oh it's because of you
I can face it all even though my back against the wall

In time of uncertainty
You are there for me
To guide me on and take to the limit with love

They all say it could never last
We'll prove them wrong
Like we did in the past
No matter what they say
It's a great world anyway
I need you in my life
I'll do anything to keep you in my life
Straight from my heart
I've got so much to give all tied up with a ribbon of love
Because of you I can face it all
Even though my back against the wall
In times of uncertainty you were there for me
To guide me on
And take me to the limit with love

Love is a river so free
Promise you won't stop the flow
Oh sometimes I sit down and
Wonder where would I be without you in my life
Oh it's because of you
I can face it all
Even though my back's against the wall
In times of uncertainty you were there for me
To guide me on
And take me to the limit with love
Ooh ooh
Oh baby
Oh in times of uncertainty
You were there for me
To guide me on and
Take me to the limit
Ooh ooh

You take me there baby
In the heat of the night
When I need some comfort
You're always there
To shelter me from harm
Because of you baby
Ooh ooh I need
Can you see my tears

Feel it on my pillow
Because of you
