

Everything's All Right

Billy Preston

My whole life has changed
Since I've been made free
I don't have to fret no more
'Cause

Everything's alright
Everything's alright
Everything's alright
Oh, it's alright with me
With me, with me, baby, yeah, yeah

I've got peace of mind
I've got just what I need
I don't have to search no more
'Cause

Everything's alright
Yes, it is now
Everything's alright
Everything's alright
Oh, it's alright with me
With me, with me, baby, yeah, yeah

I have no more doubts
I have no more fears
Every last bit of my hate is gone
So that

Everything's alright
Yes, it is now
Everything's alright
Everything's alright
Oh, it's alright with me
Hey, hey, yeah, yeah

My whole life has changed
Since I've been made free
I don't have to fret no more
'Cause

Everything's alright
And I'm glad about it
Everything's alright
Everything's alright
Oh, it's alright with me
With me, with me, with me, baby, yeah

Everything's alright
Sing a song now
Everything's alright, yeah
Everything's alright
Oh, it's alright with me
