

# Heavenly

Billy Preston

Heavenly, heavenly the rapture of his tenderness is calling me  
His words I hear, they silence fear  
He speaks my name, I feel the shame just disappear  
Jesus is mine and He is oh so heavenly

Heavenly, oh can it be, my eyes were blind but opened wide, now  
they can see  
His countenance is heaven sent  
He held me close with love and said, child, now more repents  
Jesus is mine and He's oh so heavenly

Heavenly, oh my God is so heavenly  
Thank you, Jesus

Heavenly, heavenly, when I was down He lifted me and now I'm free  
I'll tell the world He changed my life  
Forgave my sins and brought me in to share His life  
Jesus is mine and He's oh so heavenly

He's oh so heavenly  
He's oh so heavenly  
Oh so heaven, oh so heavenly  
So heavenly
