

# If You Let Me Love You

Billy Preston

If you let me love you  
I'll give you pleasure  
Even more than King George's treasure [?]  
If you let me love you  
I'll get excited  
Love's a party, we're invited

If you let me love you  
Give you attention, complements too much to mention  
If you let me love you  
I feel cosmic showers, your love have such an earthly power

Drifting on a fantasy  
I glimpse your fleeting smile  
Floating through the galaxy  
On the wings of ecstasy, my love

If you let me love you  
Well, I guarantee you I'll be coming back to see you  
If you let me love you  
I'll serenade you, take you out and promenade you

If you let me love you  
I'll shed your shyness, treat you like a royal highness  
If you let me love you  
I'll never tell it, five-hundred million and I won't sell it

Drifting on a fantasy  
I glimpse your fleeting smile  
Floating through the galaxy  
On the wings of ecstasy, my love

Drifting on a fantasy  
I glimpse your fleeting smile  
Floating through the galaxy  
On the wings, yes, the wings of ecstasy, my love

If you let me love you  
Let me love you, baby  
See to me yesterday  
I will try, yeah, get me some sweet air [?]  
If you let me love you  
Let me love you, baby  
See to me yesterday  
Pour toi, je vais, décrocher la lune [for you, I will, reach for the moon]
