

# You Can't Hide from Love

Billy Preston

When we were little children, there used to be a game we would  
play  
Someone would keep their eyes closed while the rest of us would  
all run away  
We slipped behind the shadows, baby, somewhere in the dark we w  
ould hide  
But love is not a game for children, it's too serious to play w  
ith my bride

You can run but you can't hide from my love  
You can run but you can't hide from my love

Listen, since we're no longer children, we tend to play it safe  
when we can  
Always hiding our emotions, afraid that no one else will unders  
tand  
We slip between the shadows, baby, somewhere in the dark we sti  
ll hide  
I'm glad I finally found you and I'll be here on the day you de  
cide

You can run but you can't hide from my love  
You can run but you can't hide from my lovin'

You got me where you want me, so please don't you disappear  
You know that I'm depending on you, baby, so let me make this o  
ne thing clear

You can run but you can't hide from love  
You can run but you can't hide from love  
You can run but you can't hide from my lovin'  
You can run but you can't hide from love
