Tough day on the firin' line, dontcha wanna make some time Come down take a chance or two, I'll be lookin' out for you

Run all night, slip all day Make me crazy baby, don't you wait

I got the key to the powerhouse
I got the key to the powerhouse
I got the key, you can't lock me out
C'mon baby we can work out—work out work

Cold steel rollin' down the track--big wheel gonna break your b ack

Love's not an easy thing--love'll show ya everything

Drive all night slum all day
Take me closer baby--don't you wait

I got the key to the powerhouse
I got the key to the powerhouse
C'mon down you can knock me out
C'mon baby we can work out--work out work

Run all night, slip all day
Make me crazy baby, don't you wait
Drive all night, slum all day
Pull me closer baby, steal away
