

# Nothing To Lose

Billy Talent

**Emi F# D/G C**  
Need more friends with wings,  
**B F Emi F# D/G C B F**  
All the angels I know put concrete in my veins.  
**Emi F# D/G C**  
I'd always walk home alone,  
**B F Emi F# G/D C B F**  
So I became life-less, just like my telephone.

**C Emi**  
There's nothing to lose  
**D Bmi**  
when no-one knows your name,  
**Emi G F# F**  
There's nothing to gain but the days don't seem to change.  
**C Emi D Bmi**  
There's nothing to lose my notebook will explain.  
**Emi G F# F**  
There's nothing to gain and I can't fight the pain.
