

# White Sparrows

Billy Talent

Today I walked down our old street  
Past the diner where we'd meet  
Now I dine alone in our old seats  
The cold wind blows right through my bones  
And I feel like I'm getting old  
But I wish I was getting old with you

I held your hand when  
We took shelter from the rain  
She laughed as we picked out  
Our children's names

White sparrows fell from heaven  
And carried her away  
Black arrows cut the strings of my heart  
I kneel and pray

Her clothes hang in the closet still  
The phone sits on the windowsill  
And every time it rings, it gives me chills  
My heart just stopped when I was told  
Doctor, doctor, on the phone  
Said my love was never coming home

I hold your casket gently  
Walking to the grave  
Dark clouds eclipse  
The sun won't shine again

White sparrows fell from heaven  
And carried her away  
Black arrows cut the strings of my heart  
I kneel and pray

They gave her one more day  
To say the words I couldn't say  
I'm crying in pain, crying in pain

And I'm not looking for answers  
No, I'm not looking for answers  
But dear God, why did You choose her?

White sparrows fell from heaven  
And carried her away  
Black arrows cut the strings of my heart  
I kneel and pray

They gave her one more day  
To say the words I couldn't say  
I'm crying in pain, crying in pain  
Our love will remain, I'm crying in pain
