I tried so hard, my dear, to show you're my every dream
Yet you're afraid, each thing I do is just an evil scheme
A memory from your lonesome past keeps us so far apart
Why can't I free your debtful mind and melt your cold cold hear
t

Another love before my time made your heart sad and blue And so my heart is paying now for things I didn't do In anger unkind words are said that make the teardrops start Why can't I free your debtful mind and melt your cold cold hear t

You'll never know how much it hurts to see you sit and cry You know you need and want my love yet you're afraid to try Why do you run and hide from life, to try it just ain't smart Why can't I free your debtful mind and melt your cold cold hear t

There was a time when I believed you belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart
Why can't I free your debtful mind and melt your cold cold hear
t
