

## Guess Things Happen That Way

Billy Walker

Well you ask me if I'll forget my baby I guess I will someday  
I don't like it but I guess things happen that way  
You ask me if I'll get along I guess I will someday  
I don't like it but I guess things happen that way  
Once I had a girl to lean on then she put me on my own  
Heaven help me be a man and have the strenght to stand alone  
I don't like it but I guess things happen that way  
[ guitar ]  
You ask me if I'll miss her kisses I guess I will everyday  
I don't like it but I guess things happen that way  
You ask me if I'll find another I don't know I can't say  
I don't like it but I guess things happen that way  
Once I had a girl to lean on...  
I don't like it but I guess things happen that way
