

# Nobody But A Fool

**Billy Walker**

Nobody uh uh uh but a fool uh uh uh would do uh uh uh the things I do  
I worship you but you don't care to you  
Still I keep calling back cause I'm that bigger fool over you uh uh uh

Even the wind and the rain all seem to say what a shame  
To be a fool all your life but a fool I am and a fool I will remain  
Nobody uh uh uh but a fool...
