

# I'd Go with You Anywhere

Birds of Tokyo

I know you're wondering, I'm sure you must be scared  
I won't stop turning, but the clocks don't seem to care  
Don't give up, don't back out on me  
Enough's enough, if we stay, we'll never leave

You know I'd go with you anywhere  
Just get me out of here  
You know I'd go with you anywhere  
You gotta get me out of here  
You know that even if we lose it all  
We'll have something beautiful  
You know I'd go with you anywhere  
So just get me out of here, yeah

We don't need promises of countless miles of new  
To live our lives a way, we always thought we could  
We can hold on, hold on, hold on, hold on  
We leave in a moment  
We can hold on, hold on, hold on, hold on  
We leave in a moment, we leave in a moment

You know I'd go with you anywhere  
Just get me out of here  
You know I'd go with you anywhere  
You gotta get me out of here  
You know that even if we lose it all  
We'll have something beautiful  
You know I'd go with you anywhere  
So just get me out of here, yeah

I'd go with you anywhere  
I'd go with you anywhere  
I'd go with you anywhere
