

Plans

Birds of Tokyo

We made plans to kiss the sun at night
Hopeless dreamers, hopeless types
Shedding skin you show your beauty scars
Don't forget me or who you are

You know this don't feel right
Who knows what we feel?

I just met you I can read your thoughts
What they tell me is what I want
I'll keep you guessing keep you wanting more
'Cos where we're going no one knows

You know this don't feel right
Who knows this could feel right

I just met you, I swear I read your thoughts
So don't forget me or what you want

Light up the stage, make your move, give me something
So I can dance in your light and to your rhythm

Soon it unfolds who we are in this masquerade of stars
Tear off the mask, the face you hide is what I'm missing

We made plans to kiss the sun at night
Hopeless dreamers, hopeless types
One was turning, one was standing still
I won't forget what was promised here

You know this don't feel right
Who knows what we feel?
