

# Dark Side

Bishop Briggs

Welcome to my dark side  
(Ooh-ooh, ooh-ooh)

Welcome to my dark side  
It's gonna be a long night  
Oh, la, la, la, la

Welcome to my darkness, I been here a while  
Clouding up the sunlight, hurting for a smile  
Or something, but something always turns into nothing

Oh, I drain your life 'til there's nothing left but your blood shot eyes  
Oh, I take my time 'til I show you how I feel inside

Welcome to my, welcome to my  
(Ooh-ooh, ooh-ooh)  
Welcome to my dark side  
(Ooh-ooh, ooh-ooh)

I can be your reckless, you can be my stake  
I can be your heartache, you can be my shame  
When you're feeling reckless, when you're feeling chained  
When there's nothing left but pain

Welcome to my dark side  
We're gonna have a good time  
Oh, la, la, la, la

Acting like I'm heartless, I do it all the time  
That don't mean I'm scarless, that don't mean I'm fine  
But you'll see, when someone else makes you this way

Oh, I drain your life 'til there's nothing left but your blood shot eyes  
Oh, I take my time 'til I show you how I feel inside

Welcome to my, welcome to my  
(Ooh-ooh, ooh-ooh)  
Welcome to my dark side  
(Ooh-ooh, ooh-ooh)

I can be your reckless, you can be my stake  
I can be your heartache, you can be my shame  
When you're feeling reckless, when you're feeling chained  
When there's nothing left but pain

Welcome to my dark side  
Welcome to my dark side  
Welcome to my dark side  
Welcome to my dark side

Welcome to my (Ooh-ooh)  
Welcome to my (Ooh-ooh)  
Welcome to my (Ooh-ooh)  
Welcome to my (Ooh-ooh)

I can be your reckless, you can be my stake  
I can be your heartache, you can be my shame

When you're feeling reckless, when you're feeling chained

Welcome to my dark side

(Ooh-ooh, ooh-ooh)

Welcome to my dark side

(Ooh-ooh, ooh-ooh)

Welcome to my dark side
