

I TRIED

Bishop Briggs

It's too soon to lay your hand on my hair
It's too soon to clean the stream from your bed
It's too soon, it's too soon
It's too late to change the things that you did
It's too late to say that you don't wanna be like your dad
Angry like him

Time can free you if you walk away
Sorry isn't good enough to stay

I got one tired heart and two tired eyes
I'm too tired now, to cry
When a fire starts, it's an orange sky
I'm too tired now, to fly

Ooh-ooh, ooh-ooh-ooh-ooh, I tried
Ooh-ooh, ooh-ooh-ooh-ooh, I tried

It's too hard inside the room that we live
It's too hard to love a grown up kid
It's too hard, it's too hard
I'm too soft to know I often feel weak
It's so loud when you talk that I don't even wanna speak
You never made space for me

Time can free you if you walk away
Sorry isn't good enough to stay

I got one tired heart and two tired eyes
I'm too tired now, to cry
When a fire starts, it's an orange sky
I'm too tired now, to fly

Ooh-ooh, ooh-ooh-ooh-ooh, I tried
Ooh-ooh, ooh-ooh-ooh-ooh, I tried

Ooh-ooh, ooh-ooh-ooh-ooh, I tried
Ooh-ooh, ooh-ooh-ooh-ooh, I tried

Ooh-ooh, ooh-ooh-ooh-ooh, I tried
Ooh-ooh, ooh-ooh-ooh-ooh, I tried
