

# TATTOOED ON MY HEART

Bishop Briggs

Sunday night and my head's a mess  
Ain't nothin' feelin' real  
Call me up, drunk with your friends  
Just to tell me how you feel  
You say you think I'm going crazy  
But come on, I ain't blind  
You think your words, they never phase me  
But they hurt me every time

I'm so done with your fake promises  
'Cause I've been through all this shit with you before

It's always you  
Taking me for granted  
Always you  
That plays me as the fool  
And if I'd known, if I'd known, if I'd known  
If I'd known you'd rip it apart  
Oh, I wish I didn't get your name tattooed on my heart

It's time for me to accept it all  
It's time for me to let go  
When you walk with every step  
It hurts me more than you know (oh)

I'm so done with your fake promises  
'Cause I've been through all this shit with you before

It's always you  
Taking me for granted  
Always you  
That plays me as the fool  
And if I'd known, if I'd known, if I'd known  
If I'd known you'd rip it apart  
Oh, I wish I didn't get your name tattooed on my heart  
Oh, I wish I didn't get your name tattooed on my heart

You're holdin' me down, down, down  
Holdin' me down  
You're holdin' me down, down, down  
Holdin' me down  
You're holdin' me down, down, down  
Holdin' me down  
You're holdin' me down, down, down  
Holdin' me down

It's always you  
Taking me for granted  
Always you  
That plays me as the fool  
And if I'd known, if I'd known, if I'd known  
If I'd known you'd rip it apart  
Oh, I wish I didn't get your name tattooed on my heart

It's always you  
Taking me for granted  
Always you

That plays me as the fool  
And if I'd known, if I'd known, if I'd known  
If I'd known you'd rip it apart  
Oh, I wish I didn't get your name tattooed on my heart  
Oh, I wish I didn't get your name tattooed on my heart  
  
Oh, I wish I didn't get your name tattooed on my heart
