Anarchy

Biting Elbows

[Verse 1]
Goodbye, it's been fine
Echoes through my mind
Soundwaves break my face
Everyone can be replaced

I A M A L L R I O T
What else do you want me to be

[Chorus]
Anarchy, won't you be
Won't you be my baby, oh
Anarchy, won't you be, woah
MRT scan tells me
I am dead already, yo
Anarchy don't leave me, woah

[Verse 2]
Fall in love or in a pit of despair
Drink more til I'm unaware
Follow you to the Nakatomi Plaza
To find you wreaking havoc with another

[Pre-Chorus]
Oh, it hurts
It hurts
It really goddamn hurts

[Chorus]
Anarchy, won't you be
Won't you be my baby, oh
Anarchy, won't you be, woah

MRT scan tells me
I am dead already, yo
Anarchy don't leave me, woah

MRT scan tells me
I am dead already, yo
Anarchy don't leave me, woah
Anarchy, won't you be
Won't you be my baby, oh
Anarchy, won't you be, woah
