

# Alarm Call

Björk

I have walked this earth  
And watched people

It doesn't scare me at all

I can be sincere  
And say I like them

It doesn't scare me at all

You can't say no to hope  
Can't say no to happiness

I want to go on a mountain-top  
With a radio and good batteries  
And play a joyous tune and  
Free the human race  
From suffering

It doesn't scare me at all

I'm no fucking buddhist  
But this is enlightenment

The less room you give me  
The more space I've got

It doesn't scare me at all

You can't say no to hope  
Can't say no to happiness

It doesn't scare me at all

I want to be on a mountain-top  
With a radio and good batteries  
And play a joyous tune and  
Free the  
A-human race  
From suffering

It doesn't scare me at all

This is an alarm-call  
So wake-up, wake-up now  
Today has never happened  
And it doesn't frighten me

It doesn't scare me at all

You can't say no to hope  
You can't say no to happiness

It doesn't scare me at all
