## Crystalline

Underneath our feet Crystals grow like plants (listen how they grow) I'm blinded by the lights (listen how they grow) In the core of the earth (listen how they grow)

Crystalline Internal Nebula (Crystalline) Rocks growing slowmo (Crystalline) I conquer claustrophobia (Crystalline) And demand the light

We mimic the openness Of the warmth we love Doth till our generosity equalize the flow With our hearts We kiss all quartz To reach love

Crystalline Internal Nebula (crystalline) Rocks growing slowmo (crystalline) I conquer claustrophobia (crystalline) And demand the light

Octagon, polygon Pipes up an organ Sonic branches Murmuring drone Crystallizing galaxies Spread out like my fingers

Crystalline Internal Nebula (crystalline) Rocks growing slowmo (crystalline) I conquer claustrophobia (crystalline) And demand the light

Internal Nebula
(crystalline)
Rocks growing slowmo
(crystalline)
I conquer claustrophobia
(crystalline)
And demand the light

It's the sparkle you become Conquer anxiety Sparkle you become Conquer anxiety

Sparkle you become When you conquer anxiety It's the sparkle you become When you conquer anxiety
