Cruelest
Almost
Always to ourselves
It mustn't get any better
Off

It's in our hands, it always was
It's in our hands, in our hands
It's all there, in our hands
It's all there, in our hands

## Well

Aren't we scaring ourselves Unneccesarliy? Aren't we trying too hard?

'Cause it's in our hands
It's in our hands
It's all here, it's in our hands

Look no further Look no further

It's in our hands, it always was
It's in our hands
