I shuffle around
The tectonic plates
In my chest
You know I gave it all

Try to match our continents To change seasonal shift To form a mutual core

As fast as your fingernail grows The Atlantic Ridge drifts To counteract distance You know I gave it all

Can you hear the effort Of the magnetic strife ? Shuffling of columns To form a mutual core

This eruption undoes stagnation
You didn't know I had it in me
Withheld your love, an unspent capsule
I didn't know you had it in you
You hid the key to our continuity
I didn't know you had it in you
This eruption undoes stagnation
You didn't know! You didn't know!

What you resist persists Nuance makes heat To counteract distance I know you gave it all

Offered me harmony
If things were done your way
My eurasian plate subsumed
Forming a mutual core

This eruption undoes stagnation
You didn't know I had it in me
Withheld our love, an unspent capsule
I didn't know you had it in you
This eruption undoes stagnation
You didn't know I had it in me
This eruption undoes stagnation
You didn't know! You didn't know!
