Like a virus needs a body
And soft tissue feeds on blood
Someday i'll find you
The urge is here
Ooo-ooo-oooh
Ooo-ooo-oooh

Like a mushroom on a tree trunk As the protein transmutates I knock on your skin And i am in Ooo-ooo-oooh Ooo-ooo-oooh

The perfect match, you and me I enter, contagious
You open up, saying welcome

Like a flame that seeks explosives
As gun powder needs a war
I feast inside you
My host is you
Ooo-ooo-oooh
Ooo-ooo-oooh

The perfect match, you and I You fail to resist My crystalline charm

Like a virus, patient hunter I'm waiting for you
I'm starving for you
Ooo-ooo-oooh
Ooo-ooo-oooh

My sweet adversary My sweet adversary My sweet adversary
