Black Sin (spit On The Cross)

Black Breath

Nothing is left
Only the mask of the goat
Releasing death
Imprisoned inside of the host

Death lust Darkest of sin Black sin

Rapture in blood Symbols on the breast Chanting the name Of the one who has no breath

Death lust
Darkest of sin
Black sin

Come take this knife and slip it in the breast of the babe Dri nk the blood from the cup
Reject christ, spit on the cross

Black sin
