Wewhocannotbenamed

Black Breath

We have no name control the cycle of birth and death devoid of conscience remove the bonds stopping at nothing the star is rising it's morning again nameless one rotting taste of flesh heed no one's word drink the saliva rotting taste of flesh heed no one's word drink the saliva follow the way control the cycle of birth and death devoid of conscience remove the bonds stopping at nothing the star is rising it's morning again nameless one follow the way
