

I Am Who I Am

Black Buddafly

(Stay Strong) Yea.
(Black Buddafly) Ohhh
Oooo Yea
Yea, Yea, Yea, Yea
Oohh Yea

Seems Like I Been Falling
Into The Shadows Of Myself
But I'm Stepping Out
(You Can Love Me Or Hate Me Now)
Seems Like I Get Caught Up In The Hype
Every Now And Then
And It Don't Make Any Sense
No More Pretence Cause
"I am Who I am"

Nooo
Yea
Yea, Yea
Whoa
And It Feels Like!

Seems Like I Been Falling
Into The Shadows Of Myself
But I'm Stepping Out
(You Can Love Me Or Hate Me Now)
Seems Like I Get Caught Up In The Hype
Every Now And Then
And It Don't Make Any Sense
No More Pretence Cause
"I am Who I am"

And In The Rise and Shining My Way
Don't Care What Any One Of Y'all Say
Standards I Hate To Meet
I Just Wanna Be How I Be
Take It Or Leave It
I Just Keep On Going
Keeping It On Me
No More Second Thoughts
I'm Bout To Show
What I'm Mad Of...

Seems Like I Been Falling
Into The Shadows Of Myself
But I'm Stepping Out
(You Can Love Me Or Hate Me Now)
Seems Like I Get Caught Up In The Hype
Every Now And Then
And It Don't Make Any Sense
No More Pretence Cause
"I am Who I am"

I am Who I am
Let's Tell'em About It
