

If You Want It

Black Buddafly

You're my baby, yes my baby, treat a lady like she wants you to
And let your lady treat my baby, like my baby, like she know I
got love for you

You're my baby, yes my baby, treat a lady like she wants you to
And let your lady treat my baby, like my baby, like she know I
got love for you

Boy I know you got love for me, and I know you really wanna be,
A part of me, why don't you come over here and talk to me,
Boy I know you got love for me, and I know you really wanna be,
A part of me, why don't you come over here and talk to me

Baby I can be your girl if you want it, I got what you need if
you want it
Twenty five to life if you want it, If you really really want i
t
I'll be on your mind if you want it, Step into my life if you w
ant it
I'll open up your eyes if you want it, If you really really wan
t it

This is a thug living, a thug taking, a thug giving, and a thug
spittin his game without the bullshit
And I stand to love hugs, back rubs and hella kisses, I'm wishi
n you was my mrs, admitting you quite persistant
Way more than washin dishes, when it come to my grill, the more
you flip, the more I flip, that make that feel like a pimp

You ain't my hoe, you my partner, and you know what I mean, I ain't you're hoe, I'm your partner and you know the routine
And if we ride then we ride, I'm wid you on the team, and if a player try to hate it then you mack widout me, mack widout me
Can you pimp that

Baby I can be your girl if you want it, I got what you need if you want it
Twenty five to life if you want it, If you really really want it
I'll be on your mind if you want it, Step into my life if you want it
I'll open up your eyes if you want it, If you really really want it
