## If You Want It

## Black Buddafly

You're my baby, yes my baby, treat a lady like she wants you to And let your lady treat my baby, like my baby, like she know I got love for you You're my baby, yes my baby, treat a lady like she wants you to And let your lady treat my baby, like my baby, like she know I got love for you

Boy I know you got love for me, and I know you really wanna be, A part of me, why don't you come over here and talk to me, Boy I know you got love for me, and I know you really wanna be, A part of me, why don't you come over here and talk to me

Baby I can be your girl if you want it, I got what you need if you want it Twenty five to life if you want it, If you really really want i t I'll be on your mind if you want it, Step into my life if you w ant it I'll open up your eyes if you want it, If you really really wan t it
