

Sheets And Pillows

Black Buddafly

It was him calling (Late at night five O' clock) , Now it's him knocking (He walks in he's stressin) boy I'll wipe your stress away. don't go no where boy you can can stay, Lay yourself down now and dreams stream to fanasies.

Let it go, Let her go, We can just fly away in sheets and pillows, Let it go, Let her go, We can just fly away in sheets and pillows.

Back here again Boy (what did she do here for you?) Take off your coat boy (relaxe yourself I'll try to help) Boy Take off your shoes and I will do anything that you want me to and you'll completely forget her
(cuzz when you say her name I'll feel your pain)

Let it go, Let her go, We can just fly away in sheets and pillows. Let it go , let her go, we can fly away in sheets and pillows.

Imma give you whatever you need, come under the sheets and I'll be your freak babe. I can give something you never had, before me cuz she ain all that. Tell me what she did and what I should do, I promise I would do anything for you boy, and see that we should be together cuz I can make you Feel better!

Baby I know your wanting me to give you what your missing but she's steady giving you stress instead of these things that im doing boy so please just let her go, Just let her go, We can go fly away in sheets and pillows..

Let it go, Let her go, We can go fly away in sheets and pillows , Let it go , Let her go , We can go fly away pillows
