

My Rules

Black Flag

I don't need a break from you.
I won't reach out for your hand.
You offer me cool but i reject it.
I won't wear your brand.
I've got enough rules of my own pushing in on me.
I don't need any more rules that keep me tied up.
You offer me your acceptance.
You think that's important to me.
I don't like anybody.
That's got all the answers from me.
I've got enough rules of my own pushing in on me.
I don't need any more rules that keep me tied up.
Well maybe now you're getting what you expected.
That may change. I can change my mind anytime
and I just might turn it on you.
I've got enough rules of my own pushing in on me.
I don't need any more rules that keep me tied up.
