

## Scream

**Black Flag**

Supposed to act my age  
Supposed to act mature  
I've got better things to do  
Than listen to you  
I'm supposed to keep it together  
I'm supposed to keep my cool  
I might be a big baby  
But I'll scream in your ear  
Till I find out Just what it is  
I am doing here.
