Woke up where the sunshine bleeds Looking in a garbage bin And I ain't seen some good trash Since I, since I don't know when Since I don't know when

I went out dumpster diving Found some dirt painted gold I kept some dusty silver All covered up in mold

I dived in dusty diamonds
All crumbly and old
I took some sancrest jewelry
And dumped it in a hole

Woke up where the sunshine bleeds Looking in a garbage bin And I ain't seen some good trash Since I, since I don't know when Since I don't know when

I went out dumpster diving Found some dirt painted gold I kept some dusty silver All covered up in mold

I dived in dusty diamonds
All crumbly and old
