

Get It On Time

Black Lips

If I ever see you again
Get it on time, get it on time
If anyone asks you if I ran
Tell 'em I was flyin', tell 'em I was flyin'

I've been waitin' patiently
And come someday I hope to see
That you will return at least
And act alright

If I ever see you again
Get it on time, get it on time

If things are fallin' out of place
Put it on mine, put it on mine
You make me want to hide my face
When I been cryin', when I been cryin'

There goes Richie with a one way ticket
If he's gonna miss at least he'll go down tryin'
If I ever see you again
Get it on time, get it on time

Get it on time, get it on time
Get it on time, get it on time
Get it on time, get it on time
Get it on time, get it on time
[Repeat to end]
