

What's The Deal

Black Train Jack

Truthful honesty
The way it's always portrayed to me
But on the other hand
A bitter angry hateful man
What's the deal what's for real
Personality
Is it always what we see
Show me the rightful way
And not only what is today
What's the deal what's for real
I believe when there is proof of a friend
It's for real
Honesty staying true till the end
That's the deal
I would rather not
Be a part of your arsenal
People that you know
Are just a trophy for those who don't
And if we want to
See what it will be
Worthless desire
To be what we want it to be
Friendship is a word
Used rather loosely
Misunderstood
Take care of what you say
Because people hear it anyway
