

Tell me pretty lies
Look me in the face
Tell me that you love me
Even if it's fake
Cause I don't fucking care
At all

You've been out all night
I don't know where you've been
You're slurring all your words
Not making an sense
But I don't fucking care
At all

Cause I have hella feelings for you
I act like I don't fucking care
Like they ain't even there
Cause I have hella feelings for you
I act like I don't fucking care
Cause I'm so fucking scared
I'm only a fool for you
And maybe you're too good for me
I'm only a fool for you
But I don't fucking care at all

Tell me pretty lies
Look me in the face
Tell me that you love me
Even if it's fake
Cause I don't fucking care
At all

You've been out all night
I don't know where you've been
You're slurring all your words
Not making any sense
But I don't fucking care at all

Cause i have hella feelings for you
I act like I don't fucking care
Like they ain't even there
Cause i have hella feelings for you
I act like I don't fucking care
Because I'm so fucking scared
I'm only a fool for you
But maybe you're too good for me
I'm only a fool for you
But i don't fucking care at all
Oh
