

If I Were U

Blackbear

Yeah, yeah
If I were you and you were me
I would say goodbye, turn around and leave
I'd do it all so differently
If I were you and you were me

Yeah
I would get up in the middle of a dinner, pour a drink on your head
I would never clean the room and I would never make the bed
'Cause if you knew the bullshit I was pullin' in the past
If I were you I'd never let me stab you in the back, yeah

And I wonder if we flipped the script, I wouldn't be such a dick
If I was you and you was me, I wouldn't pull up with the shit
But why is it we hurt each other? Why we so depressed and shit?

If I were you and you were me
I would say goodbye, turn around and leave
I'd do it all so differently
If I were you and you were me
If I were you, I'd look at me
See through the all the lies, turn around and leave
I'd do it all so differently
If I were you, and you were me

We never even kissed, yeah. I would change it
You went back to your ex, I fuckin' hate that
The second that I showed any emotion (Emotion)
You cut me off, I guess that's just the motion (The motion), yeah
Good God, you so mean
Girl, I found you and you were me
I would never leave your heart this broken
This love is so annoying

If I were you and you were me
I would say goodbye, turn around and leave
I'd do it all so differently
If I were you and you were me
If I were you, I'd look at me
See through the all the lies, turn around and leave
I'd do it all so differently
If I were you and you were me

If I were you, ooh, ooh, ooh, ooh
If I were you, ooh, ooh, ooh, ooh
If I were you, ooh, ooh, ooh, ooh
If I were you, ooh, ooh, ooh, ooh

Yeah (Yeah)
And I wonder if we flipped the script, I wouldn't be such a dick
If I was you and you was me, I wouldn't pull up with the shit
But why is it we hurt each other? Why we so depressed and shit?

If I were you and you were me
I would say goodbye, turn around and leave
I'd do it all so differently
If I were you and you were me (If I were you, ooh, ooh, ooh, ooh)

If I were you, I'd look at me (If I were you, ooh, ooh, ooh, ooh)
See through the all the lies, turn around and leave
I'd do it all so differently
If I were you, and you were me

If I were you, ooh, ooh, ooh, ooh
If I were you, ooh, ooh, ooh, ooh (I'd do it all so differently)
If I were you, ooh, ooh, ooh, ooh
If I were you, ooh, ooh, ooh, ooh
