

# Why Are Girls?

Blackbear

You act different now  
You moved away to the city  
Cool kids distance yourself  
Shitty people, make you feel shitty  
You act brand new as hell  
Why do these girl be so petty?  
Friendships shallow as hell  
You all look like @wolfiecindy, yeah

Who is real and fake? Can't get a hold of you (Hold of you)  
See it on my face, I should be over you (Over you)  
So, can we leave this party? What's the social cue? (Social cue)  
See it on my face, I feel like...

All of these beautiful girls  
I let them ruin my world  
I let them walk in my life  
Stab me in the back with a knife  
Why are girls so hot? (Hot!)  
Take everything I've got (Got!)  
Why are girls so cold? (Cold!)  
Why are girls so, why are girls so beautiful? (Beautiful)  
Why are girls so, why are girls so beautiful? (Beautiful)

Yeah, all the pretty girls in the droptop, cut me like a croptop  
Speeding down the 405 burning, no sunblock  
I don't wanna dance, vodka with the ice  
You don't wanna follow anyone in real life  
Fallin' out the bathroom, wipe your damn nose  
Safe to say this party really blows  
Why are girls so perfect? Why are girls so mean?  
Why are girls the reason I can't sleep?  
I swear that you can see it on my face, I feel like

All of these beautiful girls  
I let them ruin my world  
I let them walk in my life  
Stab me in the back with a knife  
Why are girls so hot? (Hot!)  
Take everything I've got (Got!)  
Why are girls so cold? (Cold!)  
Why are girls so, why are girls so beautiful? (Beautiful)  
Why are girls so, why are girls so beautiful? (Beautiful)

Why are girls so hot?  
Why are girls so cold? (Why are girls so, why are girls so?)  
Why are girls so hot?  
Take everything I've got  
Why are girls so cold?
