

Now and Then

Blackmore's Night

C Dm/C G7/H E7 Amadd9 Am/G Fmaj7 Fmaj7/13 G G

C G Dm Am
The past is so familiar But that's why you couldn't stay
F C
Too many ghosts, too many haunted dreams
Dm F G G/H
Beside you were built to find your own way...
C G E7 Am
But after all these years, I thought we'd still hold on
F C Dm G
But when I reach for you and search your eyes I see you've already gone...
C G E7 Am
That's OK I'll be fine I've got myself, I'll heal in time
F C G G/H
But when you leave just remember what we had...
C G E7 E7/As Am
There's more to life than just you I may cry but I'll make it through
F C G G
And I know that the sun will shine again
G
Though I may think of you now and then...

C Dm/C G7/H E7 Amadd9 Am/G Fmaj7 G

C G Dm Am
Can't do a thing with ashes But throw them to the wind...
F C
Though this heart may be in pieces now
Dm F G G/H
You know I'll build it up again
C G E7 Am
And I'll come back stronger than I ever did before
F C G
Just don't turn around when you walk out that door...
C G E7 Am
That's OK I'll be fine I've got myself, I'll heal in time
F C G G/H
But when you leave just remember what we had...
C G E7 E7/As Am
There's more to life than just you I may cry but I'll make it through
F C G
And I know that the sun will shine again
C G
Though I may think of you now and then...
C G E7 Am
That's OK I'll be fine I've got myself, I'll heal in time
F C G
And even though our stories at the end
C
I still may think of you now and then...
