

In a Rush

Blackstreet

it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel inside

how i try to express
whats been troublin' my mind
but still i cant find the words
but i know that somethings got a hold of me

it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel inside

baby someday ill find a way to say
just what you mean to me
but if that day never comes along
and you dont hear this song
i guess you'll never know

it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel in
feel what i feel inside

and when i say inside i mean deep
you fill my soul
and thats something i cant explain
its over me

cuz it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel inside

it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel inside

it came over me in a rush
when i realized that i love you so much
that sometimes i cry
but i cant tell you why
why i feel what i feel inside
