

Parents raging on and on
don't know what the fuck is going on
kids are runnin' all over town
can't sit still they're gonna bring you down

[Chorus:]
fuck you, shut up, fuck off,
its the only solution
you don't remember being young
you can't remember having fun
don't sit and try to relate to us
its too late to help our cause

[Chorus]

now you lost your teens
kiss them good-bye
but you're still young at heart
looking for another try
i won't grow up to be like you
a miserable life, the shit you do
