

## I Don't Wanna Be

Blanks 77

no one cares when your in the city  
dreams are smashed and life aint pretty  
you think you live in a fucked up place  
another rat runnin' in the race

[Chorus:]

I don't wanna be  
no I dont wanna be  
Don't wanna be just another face

Get outta my way - no time for you  
thats the attitude on the avenue  
I push and shove just to get my way  
cause tomorrow's only a day away
