

# Love Em Down

Blaque

Elektra!

B to the L to the Q-U-E

Doin it once again, so be it

Oh boy, yeah, yeah, come on!

I met this guy in Chicago

And he played in a rock n roll band (Yeah, uh huh)

(Played in a rock n roll band)

I said that was cool

But I'm not like your groupie fans (Like your groupie fans)

I keep tellin' myself that I want ya (Want ya)

I keep tellin' myself that I need ya

I'm gonna stay cause I know it's time to

Get up off my butt and beat ya

My boyfriend, my boyfriend

I'm gonna get in trouble (Gonna get in trouble)

He doesn't know I've found a new man as my love

I think I can, I know I can, be the best girlfriend (Uh huh, yeah)

I'm gonna love em down (Whoo, come on)

See that guy he's a DJ

And he's spinnin' all my favorite songs

(Spinnin all my favorite songs)

Let's cruise on down to the dance floor

So we can shake it, shake it all night long

(Shake it, shake it all night long)

I keep tellin' myself that I want ya (Want ya)

I keep tellin' myself that I need ya (Need ya)

I'm gonna stay cause I know it's time to

Get up off my butt and beat ya

My boyfriend, my boyfriend

I'm gonna get in trouble (Gonna get in trouble)

He doesn't know I've found a new man as my love

I think I can, I know I can, be the best girlfriend

I'm gonna love em down (See Linda? Yo)

Yo, you know how the cheddar flow

Rhymes so edible

Don't get it twisted, I ain't on a pedestal

Sick wit the rhymes like dimes to a pimp yo

Blaque has a bunch of fans waitin' for a hit song (Uh huh)

Pop a collar crack so I can hear them switch 'em, back

Lyrics so sick like a knuckle to a brass (Whoo)

Cash flow, piled up like garbage in the trash

Don't get it twisted, it's Blaque we back

I got em in downtown

Uptown, midtown (Yeah, yeah)

Up in L.A

NY, D-Town, M-I-A (Yeah, yeah, yeah)
