Necromancy raising the dead  
Baptised in goat's blood

Arising from the atomic grave  
High priest is at command  
Darkness Prevails  
Holy church damned  
Death Ritual

Unholy night  
Evil Mayhem  
Decaying corpse  
Fiery grave  
Onslaught their souls  
Infernal demons  
Rising from hell  
Blasphemy commence  
Evil legions rise from hell  
Send the virgin to the flame  
High priest chanting the spell  
None is holy evil reigns
