

# Made For Me

Blazin' Squad

[REEPA]

this is just one of those stories about  
when u just see that girl that u want  
so u just walk up 2 her and  
u just gotta tell her  
that shes made for u  
so this is 4 all u fly chicks out there  
yo kenzie, tell em

[KENZIE]

i'll have the la the laughs  
forget about the clock  
i'll turn it back when u need 2 be dropped

[FLAVA]

she wants ice on her wrist  
she wants more than a chick  
who just stands there and licks her lips and thats it  
if theres a problem why she cant get those things  
im ready 4 that sh\*t,  
no doubt about that  
if she cant deal with me  
its coz im dangerous  
we were made 4 each other  
it was strange at first  
but im complete now your in my life

[CHORUS]

girl u look so dangerous  
the clothes that your wearing outrageous  
the way that you walk so marvelous  
your made 4 me and thats a fact  
mysterious and i love it  
i know what i want and u got it  
u dreamt that its near and you're in with it  
you're made 4 me no doubt about that

[KRAZY]

u make me feel so good its like im hypnotised

your just walking down the street all flicking your hair  
u dont care all these mans stop and stare  
but the only little problem is that i really wanna work out is  
me and u stay together through and through
