

December

Bleach

Oh it's a great day in december
We'll right it down
so we don't forget
and what you said
i will remember
it came right on time
when we needed it
yeah we needed it

hey hey it was so great to see you
the winter months have taken their toll
i can't, i can't relay
how much your perfect words
have melted this cold
we're not alone

Sometimes I think you believe in me more than i do myself
and that is just another reason
we have survived and we're still alive
we were meant to fly

hey hey it was so great to see you
the winter months have taken their toll
i won't, i won't forget
how much your perfect words
have melted this cold
we're not alone
