## Blind Guardian

**Ami** **G** **Ami**  
It cannot be seen but there's blood on the green  
Only God knows I'm innocent  
**C** **G**  
Take me, take me home  
**Ami**  
A dark seed reigns in me like the Storm rules over the sea  
**C** **G**  
I challenge thee, do not cross this bridge alone  
  
**Ami**  
Don't dare me now  
**G** **Ami G**  
The threatening shadows will pass by  
  
**Ami**  
They're getting closer now  
**G**  
Open your eyes  
**Ami**  
Wake up my dear young friend  
**G**  
And hate shall fade away  
  
**Ami** **D**  
I will not move, yet  
**Ami** **Gmi** **Ami**  
I'll stand still instead  
  
**As** **C**  
There on the battlefield he stands  
**As**  
Down on the battlefield he's lost  
**C**  
And on the battlefield it ends  
  
**C** **As** **C**  
War and anger shall reign  
The clash of iron can be heard  
**C** **As** **G**  
By blindness you're driven insane  
I'm lost in anguish and grief  
**C** **As** **C**  
Sorrow won't wane 'til you die  
A shattered body deeply hurt  
**C** **As** **G**  
And darkness will cover the light  
It's gone forevermore  
  
**C** **As** (2x)  
**C** **As** **G** **G**  
  
**Cmi** **G**  
The field's been left in sor' row  
**Cmi** **B**  
The father and the son they're gone  
**Cmi** **Gmi** **Dmi** **Esmi** **Dmi**

The Sun shines bright and anger rises

**Cmi Gmi Dmi Esmi**

Lorn and lonely torn apart

**Cmi Gmi Fmi As G**

Don't you think it's time to stop now

**Cmi G Asmi C**

We were charmed and fooled by the old serpent's kiss

**C B F G**

Let's pray that heaven is on our side

**As Es B C**

Through violence and horror shall honour arise

**As Es Bm C**

So let's pray and blessed shall be our leader

**As Cmi B**

We follow the noble and bright

**Cmi B C**

Don't you hear me crying, crying

**Cmi**

Come take me away

**Cmi**

I hallow thy name

There on the battlefield...

War and anger....

**C Asmi Es B (4x)**

**Esmi H (2x)**

**H C# Esmi F#**

**Esmi**

That's what the minstrel sing

**Esmi**

Join in the horrible screams

**Esmi**

Take part in murderous deeds

**F# C#**

Renowned be the lion-hearted

Join in the minstrelsy

Wailing in endless grief

It eagerly longs for more

Broken bodies lay down on the ground

**Cmi Asmi**

Blood sheds all over the place

**Cmi B**

The green will be stained forever

**Cmi Asmi**

And hate reigns all over the field

**Cmi B**

They keep struggling on in anger

**As B Es**

Fiercely intense out rageous, too blind to see

**As B Es C B**

And in pain they keep on singing

**As B Cmi**

We claim the land for the highlord

**As B Es**

God bless the land and our highlord

War and anger...
