

I Know His Blood Can Make Me Whole

Blind Willie Johnson

I know his blood can,
know his blood can make me whole,
I just touched...(the) hem of his garment.

Blood of Jesus,
blood of Jesus,
I just touched (the) hem of his garment.

Well his blood has,
well his blood has...
I just touched (the) hem of his garment.

I was a gambler just like you,
I was a gambler..
I just touched (the) hem of his garment.

Oh his blood have,
well his blood have..
I just touched (the) hem of his garment.

I was sick and I couldn't get well,
I was sick and I couldn't get well...
I just touched (the) hem of his garment.

Well his blood have,
well his blood have..
I just touched (the) hem of his garment.

Jesus blood can...
Jesus blood can...
I just touched (the) hem of his garment.

Ohh his blood have,
well his blood have..
I just touched (the) hem of his garment.

I was sick and I couldn't get well,
I was sick and I couldn't get well...
I just touched (the) hem of his garment.
