

## Sometimes

Blink-182

Oh, how I wish that they would last  
Moments of peace that just slip through me so fast  
Just when I think that they are gonna stay  
Everything inside me just starts fading away

Sometimes it seems like all I hope for  
Just gets thrown down on the floor  
And then it seems like you don't love me anymore  
Sometimes I wish that I could run away  
Sometimes I wish I just had something to say

She looks at me and doesn't know the words to say  
But it's not you, I just don't feel quite right today  
All these things I say and do were never planned  
But how the fuck am I supposed to make you understand that

Sometimes it seems like all I hope for  
Just gets thrown down on the floor  
And then it seems like you don't love me anymore  
Sometimes I wish that I could run away  
Sometimes I wish I just had something to say
